*P*raises – *Rejoice with us!*

- ❖ When doctors told new believer Elena in Lvov, Ukraine her cancer would kill her in less than two months, she had one wish: to be baptized and glorify God. BIEM's Yura Levtseniuk arranged for her to be baptized immediately. Believers and relatives attended and heard Elena's glowing testimony. Three days later, she was with the Lord. God still saves souls!
- ❖ In Kyiv, the Kellers rejoice: "Our little house church has multiplied by two. We prefer not to call it division, since we have multiplied purposefully to make room for new people to come. We decided to multiply every time there are more than 20 of us in one location."
- ❖ In Chernigiv, Ukraine, the Savchuks' church continues their new outreach to orphans at a mental hospital. Although not always an easy ministry, the children are always glad to see them, and this work has become a special type of evangelism for this young church.
- ❖ Over the years, ministry friends have donated guitars, orchestra instruments, and even pianos for BIEM to ship to Eastern Europe for ministry. One church in Kyiv, Ukraine, has formed a saxophone quintet using all donated instruments, and the musicians provide special music at services. Thank you to all of you who have donated good, used instruments for churches. If you have a musical instrument to donate, we can use more!

*P*ray – *Pray with us!*

- ❖ With spring in full swing, the children's camp season will soon be upon us. Each year, God greatly blesses these camps for kids and teens with salvation decisions and strengthened faith in young ones growing in the Lord. Please pray that we will receive the target amount of \$40,000 needed before the first camps in June. Currently we have \$3,527.
- ❖ One of our couples in the Republic of Georgia reports some conflicts and tensions among people attending the church. Please pray for peaceful resolutions and that the name of the Lord not be tarnished. Also, a woman who has translated many materials from English to Georgian for them has stepped down for health reasons. Pray for a qualified replacement.
- ❖ In Yucay, Peru, Juan Bautista Huilca Quispe is happy that his country has religious liberty. However, he notes that his particular area is steeped in religion and customs that create barriers for the Gospel. Please pray for the Holy Spirit to open eyes and draw souls to Christ.
- ❖ One of our missionaries in Russia (it's best if we not name him or his city) wrote to say: "We need wisdom and strength to fulfill God's commission in difficult times." He and his family use a number of methods to meet and evangelize the lost. Please pray for them as they share the Good News, both with ethnic Russians and with Muslims coming for work.
