## Praises – Rejoice with us!

- ❖ Our new missionaries in Ukraine, the Koops, operated a 3-day children's camp in Druzhba, which they have targeted for a new church. The first day, 65 attended; the 2nd day up to 85, and the third day over 100 participated, including about 20 mothers who were asking, "Where is the church?" When those moms heard that church services will be starting soon, some replied they will come.
- ❖ Praise God, attacks from Russia on Ukraine's Independence Day were not as bad as some feared. Although Russian rockets and missiles hit 58 cities and communities on that day, the next day there was only one. Since then, it seems things have died down.
- ❖ In Ukraine, the Slobodians report a wonderful baptism at the new church in Bilogorodka. Nine adults were baptized. Praise God for souls being accepting Christ in this time of war. Previously, the Russian army had come within a few miles of Bilogorodka, which is in the Bucha area.
- ❖ Praise God for a fruitful trip Vitaly Bilyak took to the military front in Donbass area with a trailer full of aid. He and those with him helped civilians, wounded ones in a hospital, plus soldier friends for whom he brought much-needed supplies and requested items. Vitaly plans two more such trips in September. Pray for safety. His videos from the front include sounds of artillery and explosions.

## Prayer – Pray with us!

- ❖ Sources predict that the next week will be an especially dangerous time for the military cities of Desna and Goncharovsk, where BIEM missionaries have planted two churches. Both towns have already suffered attacks by missiles, rockets, and planes. More attacks are expected. Please pray for our missionaries, the churches, and the community, that lives would be spared.
- ❖ Pasha Usach conducted a special one-day event for mothers and wives who had lost sons and husbands in the war. Over 50 attended. The event was a huge blessing and provided a wonderful opportunity to share the Gospel, so much so that Pavel is planning another such an event. Pray that God will use these outreaches to draw souls to Christ, the source of the greatest comfort.
- ❖ Plans are underway to bring the Buyko family to the United States, where they will visit churches for one month. Sophia and the three girls have already received visas; now we are working on getting the special permission needed for Eugene to temporarily exit Ukraine during wartime. Please pray that this permission will be granted, just as it was for Vitaly Yurchenko.
- ❖ Some of our contacts are witnessing of Christ to Muslims in Afghanistan. Please pray for God to open eyes and illumine hearts with the Gospel.
