

The Yurchenkos in Chervona Sloboda, Ukraine

2nd Quarter Report May

There is still a war going on in Ukraine and, in connection with this, it has been forbidden to hold various events for children. However, the church is not forbidden to gather, so it is possible to gather children. Our puppet theater went out for the first time since the war began to minister to children in Komarivka. Igor Balashov held a children's evangelistic event and invited our theater. Not many children were able to come. Parents are still leery of letting their children go anywhere.

We held the performance right on the street. In our country, Easter is celebrated for forty days before the feast of the Ascension of Christ. That is why we put on an Easter show. The children were super happy. All the churches are planning to hold children's camps, but the authorities have not allowed it yet because of the war. Please pray that we will have an end to the war and of course for our victory. Pray for plans for children's camps to come to fruition. Pray for our puppet theater. We want to minister to children, but our options are limited for now.

We thank you, dear friends, for your prayers and financial support. Thank you for all that you do for us, for your sacrifice. God bless you!

Sincerely yours,
Vitaly Yurchenko
